Description

Fruvita is one of major producers in the segment of natural fruit juices, nectars and soft drinks on the Serbian market. Fruvita was founded in 2003 and today owns two state of the art production facilities, both located in the most famous fruit-growing region in the Serbia and surrounded by expansive orchards. Thanks to its unique location, Fruvita always processes fresh fruit and turns them into highest-quality juices.

Our premium directly pressed juices Fruvita Only Fruit and Nothing Else with no added water, sugar, preservatives have an outstanding export potential. The golden medal of Prodexpo Fair in Russia and 3 stars of Superior Taste Awards prove our exceptional quality and taste.
