- Friday 09:00-18:00

Description

Vital is one of the largest food manufacturers in the country. This is the factory whose production of oil, margarine, vegetable fat, vegetable ghee, mayonnaise and ketchup is based on the latest technology. Through the application of a strict quality control system for all products with the introduction of ISO 9001 quality system, HALAL and HACCP system, the use of its own laboratory and the use of modern methods in application of the latest technological advances in product development, Vital today achieves its objective by strengthening the existing and developing the new market position.
