Description

Home Made Company was established in 2009 with the idea to offer cakes, ice cream and sweet products of superior quality, handmade, from the highest quality raw materials, according to original recipes, different from the generally known in market, attractively decorated and packed in modern packaging.

At the Begrade Food Show, Home Made Company will present sweet gift products (attractive chocolate pralines - Volcanos, hand-made chocolates, chocolate products, chocolate creams) as well as cakes.

In addition to the above, in its assortment, the company has got the highest quality ice cream, as well as macarons, a traditional French treat that is produced according to original French recipes and raw materials imported from France.

Home Made Company products stand out for their original recipes, decoration and packaging. The highest quality of product is imperative and is meant for every product of this brand.

Production of the Home Made Company is organized in two working shifts, seven days a week. The capacity and organization of production provide the possibility of high growth of production and incomes in the forthcoming period, as well as easy adaptation to the changed demands of clients.

Home Made Company is currently selling its products in Serbia and Montenegro.
