Description

Real Red Raspberry products are fruit spreads and light jams which contain a very high percentage of raspberries and a low sugar content. Real Red Raspberry is a family company, and raspberries from which our jams and spreads are produced come from family orchards. Real Red Raspberry products are prepared in small batches, where only the whole raspberries are used as ingredients, thus remaining chunky even after being placed in a jar. We are present in all relevant retail chains in Serbia and Montenegro, as well, we are exporting to USA, Iraq and Czech Republic.

*** Our product Raspberry Spread with Fructose, 80% Raspberry is a Superior Taste Award winner.
