### Description

Gaia brand was created in 2017 as a result of the desire of a group of friends to integrate their knowledge and many years of work experience in the field of food technology, sales and marketing in order to create products that will be a healthy and tasty alternative to conventional products.

Gaia vegan spreads are items in the category of healthy food produced from premium vegetables, according to a recipe that provides the best balance of nutritional ingredients for all those who care about their own and the health of their family.

**Bez konzervansa, veštačkih boja, aroma i dodatog šećera. Bez alergena.**

At the moment we produce spreads in 5 flavors: zucchini, broccoli and spinach, tomato and quinoa, pumpkin, and at BFS 2019 we present two new flavors: spread with paprika and spread with beetroot and rennet.

Gaia vegan spreads are present in the objects of small retail chains Mercator-S, Univerexporta, Arome and many other grocery stores of healthy food.

At the moment we export our products to the region.

Passion is what drives us, it is an integral part of every product and that's why you won't be indifferent when you enjoy our Gaia brand products.
