Description

(Scroll down for English) FARMA II je razvojni projekat za sektor poljoprivrede u BiH, finansiran od strane Vlade Švedske i USAID-a. Projekat je aktivan u sektorima voća i povrća, ljekovitog i aromatičnog bilja, meda, peradarstva i mljekarstva. Pružamo podršku brojnim bh. izvozniciima oko standardizacije kvaliteta, promotivnih aktivnosti i nastupa na stranim tržištima i možemo vas povezati sa relevantnim proizvođačima visokokvalitetne hrane u BiH.

FARMA II is an agricultural development project in Bosnia and Herzegovina (BiH), financed by the Government of Sweden and USAID. The project is active in the fruit and vegetables, medicinal and aromatic plants, honey, poultry and the dairy sector. We support numerous BiH exporters to standardize their quality, promote their activities and open the international markets and we can connect you with the relevant BiH producers of premium food.
