Ideja

Selling your products in Italy

I am just starting out as an export-import agent. I live in Italy and already have two solid contacts with a good growth potential. I want an opportunity to offer your product portfolio to my clients.

Additionally, I may help with any and all of your internationalization efforts for the Italian market.

Also, for distributors in Serbia, I may help by connecting them to the Italian producers (oil, wine, fish, etc).

Ponudena saradnja

1. Tehnicka saradnja
2. Prodaja i distribucija
3. Ostalo

Zahtevana saradnja

1. Tehnicka saradnja
2. Licenca prodaja
3. Prodaja i distribucija
